LEBANON

5 Nights / 6 Days

Private Program link video : <https://youtu.be/kPz72IfsfOM>

Day 1: Arrival to Beirut Airport- Beirut city tour - transfer to Hotel. Going out for the visit of the Lebanese capital Beirut, to take a stroll through the renovated Central District SOLIDERE where you can contemplate the archaeological Phoenician sites, churches and mosques of historical value, the Martyrs' Square and the famous Rocks of Rawché

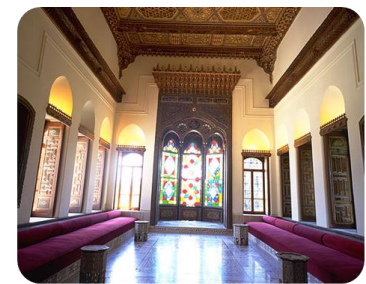

Day 2: Dog River - Jeita Grottoes - Byblos – Harissa Cable Car
The day starts by a visit Byblos at 37km north of Beirut. This Phoenician City-State was the most famous in the in the history due to its important excavations that revealed its reality. You can enjoy the Phoenician archaeological site dating back to the third millennium, temples, amphitheater and tombs of its kings.

Then continue to Jounieh to take the cable car and climb up to visit the statue of Our Lady of Lebanon in Harissa. Up there, you can enjoy a breathtaking panoramic view of bay of Jounieh. Then proceed to visit Grottoes of Jeita, a natural wonder formed by erosion of millions of years, a splendid spectacle that defies any description.

Day 3: Deir el Qamar – Beittedine – Barouk cedars forests
Heading to the Chouf region 45km east-west of Beirut. Visiting the old typical village of Deir El-Qamar, residence of Lebanese governors from XVI to XVIII century. Then proceed to visit the palace of Beittedine (known as the Alhambra of Lebanon). It is considered as the best example of the Lebanese architecture in the XIX century. From both outside and inside is gorgeous as if came out of a tale from the Thousand and One Nights. The cedar forests of Lebanon enjoy the unique distinction as the oldest documented forests in history
